When emailing digital files:

- Files should be 1000 pixels in the longest dimension saved in the JPEG format on high quality setting (not maximum). Images should be sampled at 72ppi and saved in the sRGB color space.
- Label each file with consecutive numbers followed by your name. ie 1SamJones, 2SamJones. Also, from a networking standpoint, do not use spaces in the title of the JPEG (use underscores if needed) and limit to only alpha-numeric characters (do not use :."/?\|]+-=*&^%\$#@!.).
- In the body of an email, number each image so that it matches the above numbering system. For each image, provide: the Title, process, image size, and the sale price. Images without a sale price will be considered not-for-sale. Include a Visa or Mastercard number with the expiration date, 3 digit security code, your name, address, city, state, zip code, and telephone number.
- If you chose, you may send the credit card info from our secure website: www.texasphoto.org.
- Email files to Shows@texasphoto.org.

About the Show

Texas Photographic Society will open this year's PHOTOTexas in San Antonio with the exhibition *Captivar La Luz: A Latino Experience*. This exhibition is open to photographers of all backgrounds, as long as the subject of the work is related to Latin American life, culture, conflict and/or any social or economic issues IN THE UNITED STATES. Kathy Vargas is particularly interested in well-developed Photographic Projects on this theme. Artists may submit images for either the Individual Image Category or the Project Category.

For the Individual Image Category, artists may submit up to 10 unrelated images consistent with the overall theme of the exhibition.

The Project Category is for artists submitting up to 10 images that are related by theme, subject matter or style. Ms. Vargas may chose 4-6 images from each selected Project for the exhibition. Those entering the Project Category should attach an Artist Statement and Project Description for each project entered. The Project Description will be reprinted for the exhibition and exhibition catalogue. Entering into the Project Category also qualifies those images for acceptance into the Individual Image Category IF the Project itself is not selected for inclusion in the exhibition. The show will open at the Blue Star LAB Gallery in San Antonio, Texas on October 1. The Blue Star Arts Complex is an innovative adaptation of historic warehouse buildings into an arts-oriented mixed use development of loft/studio apartments, galleries, retail, performance spaces, artists' works spaces, and design offices. An Artist Reception will be held on October 14.
